

It takes more than willpower to become a lean manufacturer. It takes predictable lead times from suppliers you can trust. With Boise Particleboard, you can be sure you'll get exactly what you need, when you need it.

Lose The Wait. Get Lean.

In fact, you can set your clock by Boise Particleboard shipments—and rest assured this is no passing fad. We are known for premium-quality board that will keep your wait down. No waiting for product. No waiting for quality. No bloated inventory. And, since our board helps tools last longer, much less waiting for downtime. Just watch your waste melt away.

When you're ready to tighten your belt, call us. We'll help your bottom line look better than ever.
