

Chain of Custody and Controlled Wood Certificate

PricewaterhouseCoopers LLP has assessed whether the Chain of Custody and Controlled Wood process at

Boise Cascade Company

1111 W Jefferson St., Suite 300, Boise, Idaho 83702-5389, USA

is suitably designed to provide reasonable assurance that the requirements of the standards noted below (the Requirements) have been met, as of March 13, 2018.

SCOPE OF CERTIFICATION:

Boise Cascade Company's multi-site Chain of Custody process at the Chain of Custody Central Office in Boise, ID, their facilities and their product groups included on the attached list (Appendix A).

The product groups and their production, transport, storage and shipping processes are performed by the network of listed Participating Sites (Appendix A)

Forest Stewardship Council® Chain-of-Custody Certification FSC-STD-40-004 (V3-0) EN
Forest Stewardship Council® (FSC®) Requirements for Sourcing FSC® Controlled Wood FSC-STD-40-005 V3-1 EN
Forest Stewardship Council® Sourcing of Reclaimed Material FSC-STD-40-007 (V2-0) EN
Forest Stewardship Council® Multi-site Chain-of-Custody FSC-STD-40-003 (V2-1) EN

Management is responsible for ensuring the Chain of Custody and Controlled Wood process meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The FSC® standard(s) can be found at www.info.fsc.org.

Our assessment was conducted in accordance with the ISO 17021 and ISO 17065 conformity standards, and accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the Chain of Custody and Controlled Wood process was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of March 13, 2018.
